26 I looked and saw that the fields were fertile and became a desert.

The cities were all ruined;

they had all been destroyed by Yahweh because he was extremely angry. The coming destruction of Jerusalem/Judah

This is what Yahweh is saying:

“ The entire land of Judah will be ruined,

but I will not destroy it completely.

I will do to my people what I said that I would do,

and I will change my mind.

So when that happens, w^{*} it will be w^{*} as w^{*} though w^{*} the earth will mourn

and the sky will become very dark."

29w When the people hear the sound of the trumpet of the enemy army marching,

when they will be as terrified as they flee from their cities.

Some of them will find places to hide in the bushes,

and others will run toward the mountains/hills to escape being killed by their enemies.

All the cities of Judah will be abandoned;

not one person will remain in them.

30So you who will surely be destroyed,

6 You people have abandoned me;

So I will lift up my fist to you to smash you;

I will not act mercifully toward you any longer.
