5-6After Absalom died, David's oldest son was Adonijah, whose mother was Haggith. He was a very handsome man. But David had never rebuked him about anything he did. After Absalom died, he thought that he would become king. So he started to boast, saying, "I will become king now." Then he provided for himself some chariots, and men to drive them, and horses to pull them, and fifty men to run as his bodyguards in front of those chariots wherever he went.

13-14 There was a man who lived in the city of Tyre whose name was Hiram. He was a craftsman. His father had also lived in Tyre and had also been very skilled at making things from bronze, but Hiram's father was no longer living. His mother was from the tribe of Naphtali. Hiram was very wise and intelligent and was very skilled at making things from bronze. Solomon invited him to come to Jerusalem and supervise all the work of making things from bronze, and Hiram agreed.

 were six steps in front of the throne.  
 There was a statue of a lion on both  
 sides of each step. So altogether there  
 were twelve statues of lions. The  
 back of the throne was rounded at  
 the top. At each side of the throne  
 there was an armrest and alongside  
 each armrest there was a small statue  
 of a lion. No throne like that had  
 ever existed in any other kingdom.

 happened was that previously, when  
 David's army had conquered Edom,  
 his army commander Joab had gone  
 there to help bury the Israelite  
 soldiers who had been killed in the  
 battle. Joab and his army remained  
 in Edom for six months, and during  
 that time they killed all the males of  
 that area. 17
