14“If anyone who is not permitted to eat a sacred offering eats it without realizing that it is it is sacred, he must pay for the offering, and pay him an extra one-fifth of its value.”¹⁵ When the priests bring offerings to me, the sacred offerings that the Israeli people bring to them, they must not treat as though they are sacred by allowing those who are not priests to eat any of those offerings. If they did that, they would become guilty and must pay a payment of Yahweh, the one who causes those offerings to be sacred.”
