

Song of Songs

Contents

This book contains songs that King Solomon sang with his beloved. We call this book Song of Songs

1 This is with King Solomon's most beautiful song.
The young woman speaks to her lover

2 Kiss me with wine with my lips,

because your love is more delightful than wine.

3 The fragrance of your skin is sweet/pleasing [CHI].

And your reputation is good and

we like the fragrance of the special oil on your skin.

That is why other young women are attracted to you.

12And let's go early to the vineyards

to see if the grapevines have budded

and if there are blossoms on them that have opened,

and to see if the pomegranate trees are blooming,

and there I will make love to you.

13The mandrakes/love-apples are producing a fragrant odor,

and we are surrounded by delightful pleasures [MET "H6298", EUP],

new ones and old ones,

pleasures that I have been saving to give you, who love me.

The woman speaks

I wish that
 you were my
 brother

who nursed
 at milk
 from my mother's
 breasts
 you were
 a baby,

because
 you were
 my brother, if
 I saw you
 when you were
 outside
 the house,

I could kiss
 you,

and no one
 would say that
 my doing that
 was wrong.

No one
 would object
 if I led
 you to my
 mother's house,

to where
 my mother, who
 taught me
 many things,
 lives.
